Nothing in this clause shall prevent the University from claiming the costs of repair from a Student or group of students retrospectively where it is entitled to do so.
- 6.6 Where this Agreement allows the University to recover loss arising from the Student's breach of their obligations under this Agreement, the University may also recover losses arising from the Student's breach which are suffered by a third party acting on the University's behalf.

- 10.2 The University will test all Student owned electrical items free of charge at the start of the Licence Period. The Student must not use any item which the University finds to be unsafe and any such item must be immediately removed from the Accommodation by the Student. Failure to remove any such item within 3 days of the request will result in the University removing the item without further notice to the Student and keeping it until such time as the Student collects it and undertakes to remove it from the Accommodation. Failure by the Student to do so, will result in the University keeping the item in storage for the remainder of the Licence Period. The Student will be required to make a Default Payment in relation to any storage costs. The University shall not be liable for any items lost or damaged in storage.
- 10.2 The misuse of fire prevention or detection equipment is illegal and dangerous and may result in the Student having to make a Default Payment if the University incurs any loss or damage as a result of such misuse.

alternative to accepting the substituted Room. Where the alternative Room is in the same Residence and of the same or better type, it shall be regarded as comparable and suitable, and shall not constitute a variation to what the University agreed to provide.

- 12.2 The University reserves the right to relocate the Student to comparable alternative accommodation during the Licence Period. Where the University relocates the Student because their behaviour is prejudicial to the good order or the safe or smooth running of the Accommodation or the Student is otherwise in breach of their obligations under this Agreement, the Student may be required to make a Default Payment in relation to any costs incurred by the University in relocating the Student.
- 12.3 The Student may apply to the Accommodation Office for a transfer to another room in the Residence or at another University residence provided that they are in compliance with their obligations under this Agreement. The University cannot guarantee that the transfer will be granted but if it is, the Student will be required to enter into a new agreement for the new accommodation. The Student may be required to make a Default Payment in relation to any costs incurred by the University in relation to the transfer.
- 12.4 The University will make vacated rooms available to other students for room transfers. Transfers will not however be treated as replacements for the purpose of satisfying the Student's obligation to find a replacement as set out in condition 5.4(c). Refunds of the Licence Fee will only be given where the void in the Residence caused by the Student's early departure has been filled and there is no loss to the University. The University reserves the right to fill any rooms which are already vacant before allocating people on its waiting list to the Accommodation.

13. Damage and Loss

- 13.1 The Student shall be fully responsible for any cost to make good any damage and/or loss to any part of the Room or Residence or the Contents caused by the willful act, omission or negligence of the Student, their guests or anyone within their reasonable control. The cost reasonably incurred by the University for making good any such damage and/or loss will be charged to the Student as soon as possible after it occurs. The Student shall pay these costs to the University within seven (7) days. If the Student fails to pay such costs by the due date for payment and within seven (7) days of the University notifying the Student in writing that the costs remain outstanding, the University may deduct the cost from the Deposit.

14. Vacating the Accommodation

- 14.1 The Student must vacate the Accommodation at the end of the Licence Period or within 28 days of the termination of this Agreement howsoever determined. - 14.2 The University shall inspect the Accommodation once it has been vacated by the Student. Where it is found that items on the inventory are either missing or damaged beyond what the inspector, in their reasonable discretion, decides fair wear and tear, the Student will be charged with the reasonable reinstatement value of such an item with reference to its prior listed condition on the inventory allowing for fair wear and tear.

- 14.4 The University will take reasonable steps to inform the Student where any personal effects have been left in their Room. If there is no improvement on the date of the follow-up visit specified in the warning, the University will suspend use of the Common Parts for such time as it is reasonably necessary for the Students or the University to rectify the problem identified in the warning. The University will not provide alternative Common Parts during such period.

- 18.2 Where an allegation arises that a breach of the Terms of the Agreement has occurred, which if proven would also constitute a breach of the Student Code of Conduct, the allegation will be investigated and determined under the procedures set out in the Student Disciplinary Regulations.
- 18.3 Where an allegation arises that a breach of the Terms of the Agreement has occurred, which if proven would not also constitute a breach of the Student Code of Conduct, the allegation will be determined in accordance with the procedure set out in clauses 18.4 – 18.7 of the Agreement.
- 18.4 Subject to clause 18.6, a student found to be in breach of these Terms for the first time will normally be issued with a written warning by the Head of Accommodation Services.

Such Student will remain liable to make any other payments due to the University, and to fulfil any other outstanding obligations to the University under this Agreement.

- 18.9 A Student excluded from Accommodation shall not be permitted to return to or visit the Accommodation or other University residence without written permission from the Director or the Head of Accommodation Services.

An indicative list of Default Payments is set out in Schedule 2 of this Agreement. This list is subject to amendment and an up-to-date copy is held and maintained by the Accommodation Office.
- 18.11 The Student shall pay costs incurred by the University resulting from any of their breaches of this Agreement or the Student Code of Conduct within the period specified by the Disciplinary Officer or the Hearing Panel of the Student Disciplinary Board. Any outstanding costs to the University at the end of the Licence Period will be deducted from the Student's Deposit. Where outstanding costs are greater than the Deposit, the University reserves the right to recover the excess amount through its debt recovery agents.

- 19.6 The University shall be represented by the Head of Accommodation Services or their nominated representative.
- 19.7 A Student who is unable to attend a hearing of the Panel for good reason may seek a postponement of the hearing by giving prior written notice. If a Student fails to attend a hearing of the Appeals Panel for other than good reason acceptable to that Panel their absence shall not invalidate the Panel's proceedings and it may in its sole discretion dismiss the appeal or where it has sufficient evidence to do so, proceed to hear and determine the appeal as fully and effectually as if the Student had personally appeared before the Panel.
- 19.8 The Student is entitled to be accompanied by a support person. At the request of the Student, if the Chair and other members of the Panel so agree, the support person may speak on the

Student's behalf.

- 19.11 New evidence not considered as part of the decision being appealed against will not be accepted by the Panel unless the Panel is satisfied that there is a good reason why the evidence could not have been presented before the decision being appealed against was made.
- 19.12 The Panel's decision shall be final and shall be notified to the Student in writing as soon as possible by recorded delivery to their address as notified to Registry. The Student shall be informed of their right to make a complaint to the Office of the Independent Adjudicator (OIA).

If a new start date of the Licence cannot be offered the Licence will be deemed cancelled and the Student will be refunded their Deposit less any Default Payments or any other sums due to the University under this Agreement.
- 20.7 If the Licence Period has already commenced and the Student has personal effects in the Room or elsewhere in the Accommodation, it is the Student's responsibility to remove their personal items from the Accommodation when vacating the Accommodation and to meet any costs which the University may incur in removing, storing or shipping any personal items to the Student.
