

STUDENT CONTRACT 2022/23

1. Introduction

- 1.1 When you accept an offer of admission from Roehampton University (the “University”) and you satisfy any conditions which the University may have attached to the offer, a contractual relationship is established between you and the University (“Us”). It is important that you understand this Contract because it identifies the terms that govern the contractual relationship between us. You will be asked to accept this Contract once the University has confirmed that all the conditions required for you to enroll at the University have been satisfied.
- 1.2 Before accepting an offer of admission, and before you enroll, you must read this Contract in full and raise any questions with the University if there is any part of it that you do not understand, using the address/email address below.
- Registry
Roehampton University
Roehampton Lane
London

- 1.3 This Contract is reviewed and updated annually. You are therefore required to read and accept its terms and conditions each year when you enroll.

2. Rules and regulations

- 2.1 You agree as part of the Contract to abide by the University’s rules, regulations, policies, procedures and codes (herein collectively referred to as rules and regulations in this Contract) that are in force at any given time. (These rules and regulations are reviewed periodically and may change from time to time). They include, in particular, rules and regulations relating to academic study; learning and assessment; conduct and discipline; fitness to study; use of services and facilities; payment of fees and expenses; health and safety; and intellectual property. Such rules and regulations are available on the [University’s website](#).
- 2.2 **You should read these rules and regulations carefully as breach of them may lead to the imposition of sanctions by the University, including your expulsion from the University.**

If you are registered on a programme of study that leads to a professional qualification such as teaching, nursing or counselling psychology, you may also be subject to the [Fitness to Practise](#) policy and procedure. Such regulations are drafted in keeping with guidance issued by the professional body relevant to your programme of study (“Programme”). You will need to continue to satisfy the relevant fitness to practise requirements in order to continue to be registered on any such Programme. Programmes with fitness to practise requirements have materials which detail the standards expected and provide other important information such as the procedures for appealing against a fitness to practise determination made by the University.

- 2.3 The University will abide by its own rules and regulations. The University reserves the right to add to, delete and/or make reasonable changes to them at any time where in the opinion of the University this will assist in the proper delivery of education and/or it is in the interests of students. Changes are usually made for one or more of the following reasons:
- to review and update the rules and regulations to ensure that they are fit for purpose;
 - to safeguard academic standards, for example, in response to external examiner feedback;
 - to reflect changes in the external environment, including legal or regulatory changes, changes, changes to funding or financial arrangements or changes to government policy, requirements or guidance;
 - to incorporate sector guidance or best practice;
 - to incorporate feedback from students; and/or
 - to aid clarity or consistency of approach.
- 2.4 Where the University makes changes to its rules and regulations, it will make reasonable efforts to bring them to your attention before they take effect. The updated rules and regulations will be made available on the University's website
- 2.5 Changes will normally come into effect at the beginning of the next academic year. The University reserves the right to introduce changes during the academic year when it reasonably considers it to be in the interests of students or it is required by law or in other exceptional circumstances. The University will take all reasonable steps to minimise disruption to students wherever reasonably possible, for example, by giving reasonable notice of changes before they take effect, or by phasing in the changes, if appropriate.

Any use by you of University accommodation or any arrangements for off campus accommodation made by the University on your behalf will be subject to separate agreements. Further information about the requirements relevant to students who require a visa can be found at <https://www.roehampton.ac.uk/international/visas-and-immigration/>

7. Students with Disabilities

7.1 If you have a disability you are encouraged to disclose this early so that support and/or access requirements can be considered in an effective and timely manner. Normally all admissions decisions are made on the basis of academic suitability. However, for some professional Programmes, admissions decisions will also involve consideration of the professional competency requirements of the Programme. Such decisions will be made in accordance with the [Admissions Policy](#).

7.2 The University will make reasonable adjustments to its provision of education to ensure that applicants and students are not disadvantaged. The University takes reasonable and proportionate steps to ensure that adjustments are planned, provided in advance and in anticipation of disabled people requiring support. Occasionally, however, cases may arise

where it would not be reasonable for the University to make adjustments for a particular applicant or student. In such circumstances, the University may not be able to offer you a place or may need to terminate the Contract. Such decisions will be made in accordance with the [Admissions Policy](#). You will be informed of the decision and the reasons for it.
